EVAAS RELEASE

School-level EVAAS data for the 2013-14 school year is scheduled to be released on September 4, 2014 following the September State Board of Education meeting. Please note that this year we will only release the schools' performance category (Exceeds, Meets, or Does Not Meet Expected Growth) and not the accompanying index score. School administrators will be able to see their EVAAS data (Standard 8) at this time as well.

Furthermore, the NCDPI plans to release teacher-level EVAAS data on Thursday October 2, 2014.

The NCDPI and SAS plan to start roster verification for the fall semester in December of 2014 and end in the middle of January 2015. Roster verification for the spring semester will begin in April 2015 and end in May 2015.

If you have any questions about the release of EVAAS, Standard Six, roster verification, or any other questions related to measuring teacher effectiveness, please contact Tom Tomberlin (thomas.tomberlin@dpi.nc.gov) at 919-807-3440.
